

# CM GOAT CONCENTRATE

---

Concentrate for Dairy Goats

## Product Benefits

- **A protein concentrate that can be mixed with grains to create variety of protein and energy options.**
- **Provides for formulation flexibility and performance.**
- **Fortified with high levels of required nutrients for optimal performance.**
- **Pelleted feed form works well in textured formulations.**
- **Perfect for both dairy and & meat-type goats rations.**

## CM GOAT CONCENTRATE

---

### Product Features:

- 36% protein formulation
- Palatable, high quality ingredients
- Contains yeast culture
- High levels of minerals and vitamins
- By-pass proteins
- Pelleted

### Product Benefits:

- Can be balanced with a variety of grains for a “customized” ration
- Consistent quality assures top performance and goat acceptability.
- Enhances feed digestion and intake.
- Helps maintain a healthy immune system.
- Improved growth, production, and reproduction.
- Provide a controlled balance of amino acids for optimum muscle growth.
- Mixes easily with a variety of grains.

## CM GOAT CONCENTRATE

---

General Description: Pelleted concentrate to be blended with grains for dairy and meat-type goats.

**Warning:**

**This product contains copper and should not be fed to sheep.**

**Caution:**

**Store in a dry area away from insects.**

Do not feed moldy or insect-infested feed to animals as it may cause illness, abortion or death.
