Shipping and Order Guidelines for dealer:

- Dealer must order a minimum of 144 doses to participate in special pricing. Pricing is tiered based on doses ordered.
- Orders of 720+ doses may be split into two shipments of at least 360 doses each and still qualify for 720+ dose pricing.
- Orders of less than 720 doses may not be split into multiple shipments. Product will be shipped in cases (24 doses per case) only.
- Maximum order is 9,600 total doses (400 cases). Must call for approval for orders over 9,600 doses.
- All orders must ship by February 28, 2007.
- The product purchased under this drop-ship program is restricted to the enduser consumer by the dealer only.
