

Time's the one thing we should never waste. Because once it's gone, we can never get it back. So it's up to all of us to make the most of every minute.

That's why using Strategy® horse feed makes such good sense. Since you can feed it to every horse in the barn, it can actually add time to your day.

It's packed with better proteins for top performance. And its improved vitamin and mineral mix can help keep your horses healthy without supplements.

So why waste time using multiple feeds? You could be enjoying that time with the people you care about most.
