

## New Purina Mills Horse Website

It is time to visit [www.horse.purinamills.com](http://www.horse.purinamills.com). This new and improved website is in the beginning stages of change. Please keep coming back to see the new Star Performers (Ambassador) section, a Horsin Around section for the kid in all of us, a Communications Resources area for consumers and dealers, and finally an Articles section with a detailed glossary of terms and horse article library.

The site is fun and exciting and it will keep evolving this year and into next year. Visit to find an event or to learn something new about horse nutrition.
