

New PMI Nutrition Red Flannel™ Formulas

Red Flannel™ Prime Formula (26:18) provides energy, strength and endurance for hardworking dogs. It contains high quality protein and amino acids to support strong muscles and their recovery after strenuous exercise. It contains natural sources of glucosamine for joint health.

Red Flannel™ Active Formula (23:16) contains wholesome whole grains for the highly active dog that needs quick energy. The optimal protein-to-fat ratio keeps him lean and in good body condition while Omega 3 & 6 fatty acids and antioxidants support a healthy immune system.

Red Flannel™ Hi-Protein Formula (27:12) contains an optimal protein balance to deliver lasting energy for the active dog that prefers a high protein diet without all the fat. Highly digestible proteins build and maintain muscles for lean body condition and essential vitamins and minerals help promote healthy skin and a soft, shiny coat.

Red Flannel™ Adult Formula (22:12) is designed to keep the normally active dog in excellent body condition. Omega 3 & 6 fatty acids promote healthy skin and a glossy coat.

Red Flannel™ Large Breed Adult Formula (24:12) contains natural sources of glucosamine and added chondroitin sulfate for joint health, an important consideration for large breed dogs. An optimal protein-to-fat ratio helps maintain lean body condition.

Red Flannel™ Canine Select Formula (21:9) contains high quality ingredients that provide essential nutrients to help maintain muscles, bones, teeth and overall body condition. This affordable diet is rich in protein to maintain muscle mass without adding extra weight. And the natural flavor of high quality ingredients gives it a taste dogs love

Red Flannel™ Puppy Formula (27:16) contains high quality protein and essential vitamins and minerals to support the puppy's developing muscle and skeletal system during this critical growth phase. Omega 3 & 6 fatty acids promote healthy skin and coat and a healthy immune system. It contains calcium and phosphorus for strong bones and teeth, and the unique morsel shape is easy for puppies to chew.

Red Flannel™ Cat Formula (32:15) contains high quality ingredients that provide wholesome nutrition and an exceptional taste cats love. A balanced ratio of Omega 3 & 6 fatty acids, vitamins A & E and other essential vitamins and minerals help promote healthy skin and a soft, shiny coat. It also includes taurine for healthy vision.
